

CAMP ALDERSGATE BROCHURES ARE HERE!

Camp Aldersgate's 2014 Brochures have arrived and are available for everyone! Aldersgate has **three new programs** this summer: *Discovery Science Camp*, *Global Village Camp*, and *Connections Weekends*, where campers get to stay at Aldersgate for more than one week of camp – without going home in between. Of course, you can still come to the old favorites like **Camper's Choice** programs, that give campers choices of over a half-dozen programs for their week. Our most popular week, **Living Arts**, culminates with a camper performance of **The Sound of Music** this summer. Finally, in **Family Camp** programs, including both week-long and weekend experiences, families get to experience Camp Aldersgate together. Grandparent & Me is always a fun time for grandparents and grandchildren to spend some quality time together. Aldersgate's pricing is based on a three-tier system, helping to ensure that all families can afford camp for their children and youth. Camperships are also available. Visit www.campaldersgate.com or call Aldersgate at (401) 568-4350 for more information.
